

The 41th Ukrainian International Education Fair “Education abroad”.

The event will take place on 14-15 October 2021 in Kyiv

About the fair “Education abroad”:

- The biggest educational fair in Ukraine (more than 70 participants from different countries participate in the fair in Kyiv)
- In 2020 about 7,000 people visited our Fair – school children with parents, students, young professionals, employees of educational area, representatives of educational agencies
- All leading educational agencies traditionally take part in the fair
- Official catalogue of the fair is given free of charge to all visitors
- The fair is held traditionally in the center of Kyiv
- Wide advertising campaign

Among the fair participants there are educational institutions from different countries, such as Austria, Canada, Czech Republic, Cyprus, France, Germany, Greece, Hungary, Latvia, Lithuania, Poland, Romania, Slovakia, Switzerland, Israel, Turkey, USA and others. Leading educational agencies of Ukraine also take part in the fair. Educational institutions from Poland and Czech Republic are represented in a separate pavilion.

Direct communication with representatives of foreign educational institutions gives an opportunity to obtain “first hand” information and take a final decision on studying abroad.
